|----------------------|------------------------------|
| Color                | Black                        |
| Sizes Available      | 6-14                         |
| Packaging            | Bagged Pair                  |
| Packed               | 6 Pair/Case                  |
| Case Dimensions (in) | 18.11 x 18.11 x 12.99        |
| Case Weight (lbs)    | 23.37                        |
| Country of Origin    | United States                |
| Construction         | Injection Molded, Waterproof |
| Certifications       | TAA Compliant                |
| Product Circularity  | --                           |

## Care Instructions

Hand Wash

## Boss® Footwear

### 16" Black PVC Plain Toe Boot

- 100% waterproof protection
- Lightweight Durable/up to 25% lighter than classic PVC boots
- Energy absorbing tread adds all day comfort
- Less toe spring allows for more surface contact for improved channeling of water for better traction/slip resistance and comfort
- Tougher outsole for good abrasion resistance
- Flexible upper material stays supple in cold temperatures to make walking easier
- Pre-formed insole is removable and wicks perspiration to keep feet dry and comfortable
- Mid-Sole is designed to utilize additional material in the standard area of the shank providing increased support and comfort
- Meets ASTM F3445-21 for Slip Resistance
- Low profile "kick off" ledge on back of boots
- Made in the USA
- Prop 65 Compliant
- Resistant to certain acids and alkalis, fats, oils hydrocarbons and other chemicals

## Applications

- Agriculture
- Construction Applications
- Remediation
- Environmental Clean Up
- Concrete Work
- Municipal
